## SAT Preparatory Course Spring 2017

### Fact Sheet

#### Program:

To better serve our college-bound students, Solebury School is offering an evening SAT prep course taught by our own faculty. We feel that our teachers are in an ideal position to tailor the course to fit your child's needs.

The course will be offered in the spring of 2017 and is timed to prepare students for the May 6<sup>th</sup> and June 3<sup>rd</sup> SAT.

**The course, which is designed for juniors, is a strategy-based class and includes a full 4 hour practice test to familiarize students with the exam.** The course has been designed to align with the restructured SAT, which was launched in March 2016. The course will include instruction about:

- the components of the SAT
- types of questions to expect
- managing time
- strategies for math (calculator and non-calculator sections)
- approaches to the critical reading and writing sections

Students should be on time for class and bring a pencil, paper, and calculator to each class. Every effort should be made to attend each session. Evening classes are two-hours in length and the weekend session will be 4 hours (including the essay).

#### Cost and Dates of Course (SAT Prep Materials included):

The class will meet on the following (6) Wednesday evenings from 6:30pm to 8:30pm: 3/22, 3/29, 4/5, 4/12, 4/26, 5/3. Students will take a FULL LENGTH practice test on Sunday April 30<sup>th</sup> from 9am to 1pm.

The cost of the course is \$750. A \$250 deposit is due by Friday, February 10, 2017. Full payment is due by Friday, March 3, 2017. Payments are non-refundable after Friday, March 3, 2017.
