

# Solebury Snow Sports - Vermont Trip - 2019

## EXPECTATIONS FOR THE TRIP:

- We will be staying in three condominiums. There will be chaperones assigned to each condo responsible for supervision of the students assigned to that condo. Students are expected to respect the behavioral guidelines set forth by chaperones.
- There will be daily check-in times when students must meet a chaperone at a designated area. Nightly check-in times will also be determined each evening, after which students may not leave the condo.
- Remember that when we're on this trip, we're representing Solebury School to many people who have never heard of us, so we're their first impression of Solebury. Please be appropriate and represent us well!
- Students should be respectful of the living space we are provided. Upon departure, the condos should be in the same condition as when we arrive there.
- **ZERO TOLERANCE on alcohol, drugs, and smoking. Any student caught using or under the influence will be reported to the Dean of Students and face disciplinary actions upon return to Solebury School.**

In all other areas, our regular school rules apply. Read the school handbook for details. For basic rule infractions (not involving drugs, alcohol, or tobacco), students will have their free time taken away during the trip, or face consequences upon returning to school, according to the chaperones' discretion.

We understand the rules and policies of this trip, and we agree to adhere by them.
